

Publication and Copyright Authorization

I/we the undersigned, hereby grant all copyright and publication rights, including both common law copyrights and statutory copyrights, both foreign and domestic, whether or not said copyrights shall have been formally perfected, to the National Model Railroad Association (NMRA), in exchange for payment at the standard rates in effect at the date of publication. I expressly represent and warrant to the NMRA that I am the owner and sole creator of original unpublished works of intellectual property and that the rights to publication of the work have not been previously sold or assigned to another. I expressly represent and warrant to the NMRA that I have obtained all necessary permissions to utilize any photograph, painting, drawing, or other illustration used or contained in the manuscript and supporting materials which is not my own personal creation and/or for which I do not own all of the copyrights or other intellectual property rights. I also agree to indemnify, protect and hold harmless the NMRA, its employees, agents, contractors, servants, successors and assigns from any and against all claims, demands, injuries, losses, damages, and expenses, including legal expenses, of whatever nature, arising out of, incidental to, connected with or in any way caused by the manuscript and supporting material furnished by me to the NMRA. This shall include causes of action of any kind and nature whatsoever arising from any actual or alleged violation by the NMRA of the ownership rights, copyright, intellectual property rights or rights of privacy of any individual or other entity which is caused or alleged to have been caused by the publication of the manuscript or any photograph, painting, drawing or other illustration contained therein and supplied by me. The indemnities and assumptions of liabilities and obligation herein provided for shall continue in full force and effect notwithstanding the termination to or cancellation of this Agreement, whether by expiration of time, by operation of law, or otherwise.
